## Is CSA Right for You?

- Do you value having fresh, local, organic produce?
- Are you up for trying new vegetables?
- Can you be flexible with your menu planning?
- Are you ready to eat seasonally with the farm?
- Is supporting a local farm and its farmers important to you?

If you answered yes to these questions, then you are a great candidate for CSA! We value the commitment you are making to us.

If CSA isn't right for you, there are many other ways to be a part of our farm season: using Dog Bucks, visiting us at the farmers markets or our Farmstand, or enjoying our produce at area restaurants or grocery stores. No matter how you join our 2022 season, you will experience the story of Red Dog Farm, our successes and our struggles.

### Safety is Essential

Our pickup locations adhere to safety protocols that minimize the risk of spreading COVID-19 so you can feel safe.

### Support a Local Business

Your CSA dollars are an investment in our community. Local farms give our community food security and preserve its unique rural character.

### Refer a Friend for Dog Bucks

As a CSA member, every time a new CSA member signs up and mentions your name, we'll send you Dog Bucks!

- 20 Dog Bucks for 3-month CSA
- 50 Dog Bucks for 9-month CSA

Refer as many times as you want!
