Is CSA Right for You?

- Do you value fresh, local, organic produce?
- Are you up for trying new vegetables?
- Can you be flexible with your menus?
- Are you ready to eat seasonally?
- Is supporting a local farm and its farmers important to you?

If you answered yes to these questions, you are a great candidate for CSA! We value the commitment you are making to us.

If CSA isn't right for you, there are many other ways to be a part of our farm season: using Dog Bucks, visiting us at the farmers markets or our Farmstand, or enjoying our produce at area restaurants or grocery stores. No matter how you join our 2023 season, you will experience the story of Red Dog Farm, our successes and our struggles.

Tailored Recipes & Farm News

Our weekly CSA newsletter includes tantalizing recipes using each week's produce, plus storage tips, cooking suggestions, and reports on farm life.
