Support a Local Business

Your CSA dollars are an investment in our community. Local farms give our community food security and preserve its unique rural character. Studies have shown that for every \$100 spent at a local business, \$68 stays in the community, compared to only \$43 for non-local businesses.

Tailored Recipes & Farm News

Our weekly CSA newsletter includes tantalizing recipes using each week's produce, plus storage tips, cooking suggestions, and reports on farm life.

Is CSA Right for You?

- *Do you value fresh, local, organic produce?*
- *Are you up for trying new vegetables?*
- *Can you be flexible with your menus?*
- *Are you ready to eat seasonally?*
- *Is supporting a local farm and its farmers important to you?*

If you answered yes to these questions, you are a great candidate for CSA! We value the commitment you are making to us.

If CSA isn't right for you, there are many other ways to be a part of our farm season: using Dog Bucks, visiting us at the farmers markets or our Farmstand, or enjoying our produce at area restaurants or grocery stores. No matter how you join our 2025 season, you will experience the story of Red Dog Farm, our successes and our struggles.

10% Discount at Farmstand & Markets

Your CSA membership includes a 10% discount on all vegetables, berries, plant starts & tulips you buy at our Farmstand and farmers markets during your membership.

Canning? Stocking up for guests? Want more greens, berries, carrots?
We've got you covered!

CSA Testimonials

"We love supporting local farmers and eating what grows here when it grows here. Resiliency against climate change starts by looking local, and Red Dog is a big part of that to us."

"I love the produce, the convenient pick-up location, eating seasonally, and feeling like this is food from 'my farm.'"

*We grow organic produce for the
Olympic Peninsula.*
